**ADMINISTRATIVE LAW JUDGE'S RULING SHORTENING  
TIME FOR RESPONSE TO MOTION FOR EXTENSION**

On November 30, 2001, Verizon California Inc. (Verizon) filed a motion in the above-titled proceeding seeking an extension of time to file comments on the November 21, 2001 Draft Decision on incentive payments. Concurrently, Verizon moved to have responses to its extension request due on December 4, 2001. It argues that without a shortening of the time allotted under Rule 45(f) of the Commission's Rules of Practice and Procedure, responses to the extension motion will be due four days after parties must make opening comments on the Draft Decision.

Accordingly, for good cause shown, **IT IS RULED** that responses to Verizon's motion to shorten time to address its extension request shall be due on December 4, 2001.

Dated December 3, 2001, at San Francisco, California.
